Title: Organizing State Level Student Seminar

The Vision of the institution is to create a system that binds every one and brings transformation in the quality of student's lives through integrated development of student personality. The very purpose of the institute is to provide an opportunity for students to improve their presentation skills, to motivate students engage in research work, to provide students a platform to interact with students of other colleges, to encourage alumni support for student initiatives.

Process: The expert committee of our college developed the parameters to identify the best presenter. The experts choose three 'Best Paper Presenters' and are awarded with cash prizes of 3000, 2000 and 1000, instituted by our Alumni. The college supports with financial assistance to carry out the activity. The faculty took personal interest in inviting the students and alumni. This event brought radical changes in learning and research habits of the students. It has given opportunities to the teachers to guide the students.

This practice has changed the attitudes of students. They have become more conscious and studious during this academic year college organizes 10 such seminars. Kannada, English, Political Science, History, Journalism, Commerce, Chemistry, Botany and PG in Commerce organized student's seminars during the academic year 2018-19. More than 1000 students' participated and 321 papers are presented. This event brought radical changes in learning and research habits of the students. It has given opportunities to the teachers to guide the students.
